Retail Industry Job Fair October 14, 2010

Jackson County Oregon Employer Council is focusing its efforts on industry specific job fairs throughout the year. We are working closely with the Oregon Employment Department and local colleges to provide you with a large applicant pool in a short amount of time. It will be very important for you to get your registration in as soon as possible in order to let colleges and job seekers know who will be in attendance. We want to give you as much exposure as possible. This low cost, low time consuming event should bring you a lot of bang for your buck and effort. Maximize your applicant pool and fill vacant position for the holiday hiring season. Save time and money by participating in this fair. The cost is less than advertising in the newspaper and the applicants are right in front of you.
