Invite you to attend an

Employer / Job Seeker Forum

February 28, 2012, 2:00 p.m.

Community Justice Building – Upstairs
1101 W Main Street, Medford, Oregon 97501

This is an event you will not want to miss. Select employers will be speaking frankly about: What they are looking for in a resume, quality of applications, interviews – what to say/what not to say, first impressions, how to break into an occupation you haven't worked before, gaps in employment, criminal backgrounds and other barriers.

Employers have been asking “Where are the qualified applicants?”
Job Seekers are asking “Why isn't anybody hiring?”

Employers place job listings, you apply, you know you are qualified, why aren't you getting hired?

Come, join in on the conversation!
