

Employer & Career Expo

Tuesday, March 16, 2010

10 a.m. - 5 p.m.

Douglas County Fairgrounds, Douglas Hall

Including Community Resources and Information for Veterans

Greetings,

Douglas County Employer Council (DCEC) announced March 16, 2010 as the date for the Employer & Career Expo. This is a great opportunity to meet the public, help the workforce prepare for the future, and most importantly help our labor force stay in our community. Last year more than 1200 people attended.

As a gift to you and our community, DCEC would like to cover the registration cost for you!

You will notice for the 2010 event we have added Career to the expo. Many people are upgrading their skills and want to know what career and training options are available, and what skills they will need when the economy turns around. In addition, many people are in need of resources to help them survive right now.

We are inviting community resource members, educational partners, veteran services and the Douglas County Society of Human Resource Managers to offer job related workshops and information. A copier will be provided courtesy of OCE, and we are working on getting the WorkSource Oregon Employment Department's computer lab back.

Employers, it is not necessary to have an open job listing. Some employers may choose to accept resumes, others may not, and a few local employers have on-line web sites they use exclusively for the application process. You are encouraged to participate in this event so our local workforce may learn about our local workforce needs.

The Expo will be held at Douglas County Fairgrounds on Tuesday, March 16 from 10 am to 5 pm. Employers participating in the event will be provided an 8 foot table, tablecloth and 2 chairs.

Advertising is under way to bring employers, students, organizations and the public together for this one day special event. Even though there will be no registration fee for you to participate in the event this year, to ensure that your organization is included in the advertising material, you will need to register by February 12.

Please take a moment now to complete the enclosed registration form and return it to Patricia at WorkSource Douglas Employment Department. You may fax the form to 440-3498.
